MAVUNO HARVEST

Mavuno Harvest Organic Dried Fruits
- all varieties
2 oz

Reg. \$3.99/ea

Mavuno Harvest works with small farming cooperatives to create supply chains to bring delicious, organic dried fruit from rural sub-Saharan Africa to the world. They were founded on the principles of empowering others through economic development, sustainable agriculture, and the idea that all humans are connected.

klean kanteen®

Klean Kanteen believes that all business should be accountable for their carbon emissions. As a Climate Neutral Certified Brand since 2019, they measure their footprint annually, reduce what they can, and offset the rest by purchasing verified offsets. Since the very beginning, Klean Kanteens have been built with love—the love of adventure, the love of conserving wild places and the love of replacing single-use plastic.

three trees

Three Trees' food philosophy is to eat whole, unprocessed, nourishing foods. So they only use the best quality ingredients, straight from nature – and make the most nourishing and delicious nut and seed milks. Three Trees is the brand you can trust and rely on.
