

## How Good Harvest To Go works:

Good Harvest To Go is powered by Rosie, our online shopping partner.

Getting started is easy.

1. To get started, create a free account on Rosie by clicking the red "start shopping button" below, and begin shopping for all your favorite items. There is a \$30 minimum order size and a \$250 maximum order size.
2. At checkout, choose from available days and times for convenient curbside pickup or home delivery.
3. A \$3.95 fee will be added to your shopping order for curbside pickup.
4. Rosie has teamed up with Door-Dash for local deliveries, and a fee starting at \$5.50 (plus mileage) will be added for delivery orders.
5. After you submit your order you will receive an emailed receipt with your total purchase and a confirmation code. You will need this 6-digit confirmation code at pickup and at delivery (the code is a combination of letters and numbers, ex. X7PLR8).

\*PLEASE NOTE: At check out, your total will be an estimate. Once we finish your order, the purchase total is calculated and the credit card transaction is finalized. That way, you are not charged for unavailable items that are dropped from your list. Also, some of your items may need to be weighed. The final total will reflect actual weights and prices. Please keep in mind that sale prices vary day to day, and online prices will also vary versus in-store prices (to help offset Rosie's costs and labor to shop for your order). **To take advantage of the sale prices you see when you place your order, your order must be picked up or delivered THAT SAME DAY.**

6. When it's time to pick up your order, please drive up to the pick up window located off our main Silvernail Road entrance where the Natural

Cleaners used to be. If you do not see a staff member at the window when you arrive, give us a call at **262-544-9380 ext. 2**.

7. In order to keep you and our staff safe, please stay in your car. A staff member will greet you at the window and ask you for your full name and confirmation code. They will confirm your order and load your groceries in your vehicle for you.

\*PLEASE NOTE: If you need to limit your contact with our staff, we recommend you write your full name and confirmation code on a piece of paper and display it through your window when you arrive. Once our staff acknowledges your information, drive forward pass the door and pop open your trunk so that our staff can place the order in your vehicle.

8. If you have any trouble along the way of ordering your groceries online, call Customer service 262-544-9380 ext. 10. They should be able to help you or get you to the people who can!
