## Weekly Highlights

### Store Update

Another week past, another week closer to the end of the pandemic crisis. In Wisconsin, small retail businesses can now open with a maximum of 5 shoppers, and grocery stores like ours are still limited to be at 25% of maximum capacity. Warm weather may be on the horizon, and with it more opportunities for (small) social gatherings, and hopefully soon restaurants will be allowed to re-open with the same 25% of total occupancy as grocery stores. When this happens we will make sure to have our outdoor space available with our outdoor seating at the required distance away from other tables. Won't that be nice!

### Cafe Improvements

Plans for changes to the Harvest Cafe continue. Our ultimate goals are to add a seating bar to the lower level, where you will be able to sit and visit with friends and have local kombucha, ciders, beers and sustainable glasses of wine. Outdoors we plan on adding additional seating areas along with gazebos to shelter some of the midday sun and light rain.

## Menu Changes - Hand Tossed Organic Pizzas!

With the cafe layout improvements, the menu will be slightly revamped as well, with some of your favorites remaining, but with the addition of home-made, organic hand tossed pizzas. We are currently searching for commercial pizza ovens and hope that we can add these to our available menu items by the start of summer. While we will have some traditional favorites like cheese and sausage or pepperoni, margarita and others, we will also want some interesting pies which honor our local farmers and ingredients that have health benefits. If you have a favorite non-traditional pizza recipe you'd like us to consider, email them to [joe@goodharvestmarket.com](mailto:joe@goodharvestmarket.com)

## American Craft Beer Week

It's American Craft Beer Week! This nationwide celebration supports local independent U.S. craft brewery businesses. This year's theme is all about giving the gift of craft beer. What a great way to support our local breweries during these trying times.

Join us as we celebrate our local Milwaukee beer partner Lakefront Brewery.

- SAVE \$1.00 off all Lakefront Brewery beers, now thru Sunday, May 17th.
- NEW Lakefront Brewery Hand Sanitizer. Support local and purchase a 4 fl. oz. bottle for only \$3.99/ea (for external use only, not for human consumption).

Lakefront Brewery has been serving the community for the past 30 years. They just became the first brewery in Wisconsin, and the 22nd brewery in the world to ever be a Certified B Corporation. This means they meet the highest standards of verified social and environmental performance, public transparency, and legal accountability to balance profit and purpose. Thank you for your patience as we worked out some of the kinks with the new "powered by Rosie" online shopping program. Here are updates and reminders regarding this program.

- Maximum order size has been increased to \$250.
- Hours have been moved back 1 hour to 10-6 Monday, Wednesday, Thursday and Friday, and 10-4 on Sundays.
- Once completed, **the only way to add items is to cancel your online order**, add your new items, and re-complete it. You may or may not have the same time slot available. This will eliminate the potential for double or even triple orders in our system and on your credit card.
- Changing or canceling your orders is not allowed within 4 hours of your pick-up time.

- We have increased our daily pick up slots from 24 when we first started Online Ordering 2 weeks ago, to now 44 (32 on Sundays). We continue to offer an additional 2 per hour for delivery slots. Typically we have no more than a 1 day wait for your orders.
  - In order to expedite your pick-up order, please write down your name and 6 digit pick-up code on a piece of paper and display it through your window when you arrive.
  - To take advantage of the prices you see when you place your order, your order must be picked up or delivered that same day.
  - At check out, your total will be an estimate. Once we finish your order, the purchase total is calculated and the credit card/debit card transaction is finalized. That way, you are not charged for unavailable items that are dropped from your list. Also, some of your items may need to be weighed. The final total will reflect actual weights and prices.

## Cruiser Bike Giveaway

### Week Two Winner - Harvest Cafe \$25 Gift Card

Join us in congratulating our week two winner that was randomly drawn to win a \$25 Harvest Cafe Gift Card: **Julieann E.**

"Good Harvest Market has been a bright spot in my day. Seeing the colorful, organic, life supporting array of fruits and vegetables, whole grains and legumes reminded me that I have choices, freedom, and the power to make decisions and take actions to support health and wellness for myself and my family. I appreciate the freedom to choose, travel, and gather with others to engage in a life-giving and healthy activity. Knowing I can trust Good Harvest Market to do the research and present quality foods, that are sustainably farmed, relieves my mind and frees up energy to devote to preparing healthy, whole food plant based (WFPB) meals for myself and my family. Thank you, Good Harvest Market, for increasing my quality of life".
